2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

Ditto.....	Madras.
Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so

re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have

incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Petre and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will. 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

ADVERTISEMENT.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, showing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case to which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation."

TERMS AND CONDITIONS

FOR

MAKING ADVANCES IN INDIA AND CHINA,

UPON

The Goods and Merchandize of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

s. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto..... Ditto.....	Madras.
Ditto..... Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,* Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court or Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Petre and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will. 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

FOR

MAKING ADVANCES IN INDIA AND CHINA,

UPON

The Goods and Merchandise of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

s. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto..... Ditto.....	Madras.
Ditto..... Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form, which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court or Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Petre and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will. 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

FORT WILLIAM,
GENERAL DEPARTMENT,

THE 24TH JULY, 1839.

The Honorable the President in Council directs that the following Letter No. 7 of 1839, from the Honorable the Court of Directors in the Public Department, dated the 10th April, and its Enclosure, be published for general information.

"We transmit to you the Copy of a Despatch to the Government of Fort St. George, respecting an Officer of that Presidency who obtained leave of absence to Egypt and came thence to Europe, and we desire that the instructions therein conveyed may be applied to any similar case which may occur on the part of any Officer under your authority."

COPY PUBLIC DESPATCH TO MADRAS.

No. 11, DATED 13TH MARCH, 1839.

Para. 1. Section XXXVII. 33d Geo. III. Cap. 52, contains this provision: If any "Officer whatever in the service of the said Company, shall quit or leave the Presidency or Settlement to which he shall belong, other than in the known actual service of the said Company, the salary and allowances appertaining to his office shall not be paid or payable during his absence to any agent or other person, for his use, and in the event of his not returning back to his station at such Presidency or Settlement, or of his coming to Europe, his salary and allowances shall be deemed to have ceased from the day of his quitting such Presidency or Settlement, any law or usage to the contrary notwithstanding." This provision is also re-enacted in the 3 and 4 William IV. Cap. 85, Sec. 79.

2. In the Madras Gazette, we observe the following entry, vizt.

FORT ST. GEORGE,
SEPTEMBER 28TH 1838.

"The undermentioned Gentlemen have obtained leave of absence from their Stations:

"Walter Elliot, Esq., 3d Member of the Board of Revenue, for Six months, to visit Egypt on private affairs, with permission to embark at Bombay."

3. The appointment of three Gentlemen to act, during Mr. Elliot's absence, as Member of the Board of Revenue, as Canarese Translator to Government, and as Private Secretary to the Governor, is notified in the Gazette.

We learn also from the Bombay Gazette that, Mr. Elliot sailed for Suez on the 1st of November, and from the Newspapers that he was at Malta in the month of January.

It may not have been Mr. Elliot's intention to come to Europe, when he applied for leave of absence, and we presume, that you at least were not aware of such an intention when the leave of absence was granted. But the rule which we have quoted is prescribed by law, and is imperative alike upon you and upon us. We must therefore direct that the appointments which were held by Mr. Elliot shall be considered as having been vacated from the date of his departure from the Presidency of Fort St. George.

It being understood that Public Officers, in ignorance or the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

THE 19TH NOVEMBER, 1838.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandise consigned to England are published for general information, also the following paragraphs 5 and 6 of the Despatch of the Hon'ble Court of Directors, dated 17th August, prescribing the same for future observance:

TERMS AND CONDITIONS

FOR

MAKING ADVANCES IN INDIA AND CHINA,

UPON

The Goods and Merchandise of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

Per Company's Rupee for Advances made at—

Ditto..... Bengal.

Ditto..... Madras.

Ditto..... Bombay.

Per Spanish Dollar Ditto..... China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or Expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1839.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Petre and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

FORT WILLIAM,
POLITICAL DEPARTMENT,
31ST JULY, 1839.

The Honorable the President in Council directs that the following Proclamation be published for general information:

The Territory of Upper Assam, which in 1833 was placed by the British Government under the administration of Raja Poorunder Singh, has, in consequence of the failure of that Chief to provide adequately for the protection and well being of the Country and its inhabitants, and in consequence also of his neglect to defray the tribute reserved to the British Government, been resumed and taken into the direct management of the British Officers. The administration of this Territory has hitherto been conducted by Officers of the Province, who have received their instructions through the Commissioner of Assam from the Government of India in the Political Department, and the Territory has been formed into two districts, divided by the Burhumpootar River, and designated North and South Upper Assam. The Head Station of the former has been fixed at Luckimpore, and Captain Vetch has been vested with the Civil charge, and Lieutenant Brodie has been appointed to administer the Southern district, and Seeb Sagur, near Rungpore, has been fixed upon for the Head Quarter Station.

The President in Council, deeming it to be no longer necessary for the Government of India to retain under its own direct management the Civil administration of the two districts of Upper Assam above described, has resolved that they shall be annexed to Bengal from the 1st Proximo, to be administered after that date in the same manner as the districts of Lower Assam now under the Commissioner of that Province and his several Assistants; and from the date mentioned, the Officers employed in the said two districts of Upper Assam will be placed under the authority of the Board of Revenue in revenue matters, and of the Sudder Dewanne Adawlut and Nizamut Adawlut, in matters connected with the administration of Civil and Criminal justice, as provided by Act No. 11 of 1835, accordingly as may be ordered by the Deputy Governor of Bengal in the Revenue and Judicial Department.

By Order of the Hon'ble the President of the Council of India in Council,

H. T. PRINSEP,
Secy. to the Govt. of India.
